### A Walk Through History: Lee Library 50th Anniversary

The Library building on the Lee Campus opened its doors to students in January 1970. That's right, the Library is turning 50 years old in 2020! While card catalogs and microfilm may have been replaced by digital databases, our mission to serve the students of Central Carolina Community College hasn't changed. We have been helping students conduct research and access information since they came to us wearing bell-bottoms, and we want to celebrate that history.

In honor of our 50th Anniversary, we will be hosting a "Walk Through History" event during the week of January 21 – 24, 2020. Come see a photo display of the early days of CCCC and find stories from the dedicated professionals who staffed the original library. We will also hold a reception on Thursday, January 23, 2020 from 2pm – 3:30pm. So mark your calendars and come celebrate with us!
